What Do I Want To Do?

Work as a video director for music videos, commercials, and feature films

Why Am I The Right Person For The Job?

- I have experience taking films from writing to post-production
- I have experience with many different styles and genres
 - Features / Music Videos / Short Films / Product Videos / Documentaries / Live Events / BTS
- I have extensive experience in editing and camera work
- I understand the language of cinema, including camera movement, lighting, lensing, blocking, and editing
- I work well on a budget, and am able to find creative solutions to any problems that arise

Where Did I Get My Education?

- | | |
|---|---------------------------------------|
| - Two years of undergraduate study in Film Production | Bowling Green State University |
| - Foundation Visual Art and Design | Vancouver Film School |
| - Film Production (specializations in Cinematography and Post-Production) | Vancouver Film School |
